The Hour Between Dog and Wolf is more than a story about a hero and a villain, it is a story of overcoming or embracing one's darkest self and how that struggle effects the world around us. \$15 - PDF

### **The Hour Between Dog and Wolf**

The Hour Between Dog and Wolf is a game that allows you explore that darkness from a semi-safe distance. It's a two player game. One of you plays the killer and one of you plays the hero.

### **Game Review: The Hour Between Dog and Wolf**

Like war, activity on the trading floor "consists of long stretches of boredom punctuated by brief periods of terror", writes John Coates in The Hour Between Dog and Wolf (Fourth Estate, £20).

### **The Hour Between Dog and Wolf: Risk Taking, Gut Feelings**

The transformation between each split-second decision is what Coates calls the hour between dog and wolf, and understanding the biology behind bubbles and crashes may be the key to stabilising the markets.
