A psalter is a volume containing the Book of Psalms, often with other devotional material bound in as well, such as a liturgical calendar and litany of the Saints. Until the later medieval emergence of the book of hours, psalters were the books most widely owned by wealthy lay persons and were commonly used for learning to read. Many Psalters were richly illuminated and they include some of the ...

It is not excluded that the beginnings of the Croatian state are related precisely to the Lika - Krbava region. The Croatian Prince Borna from the beginning of 9th century was known first as the Dux Guduscanorum, i.e. the Prince of Gachans (from the Gatska valley), before he traversed the mountain of Velebit. There exist the remains of Croatian interlace from 10th century found near the town of ...
