The Delta Reform Act of 2009, which created the Delta Stewardship Council (Council), required that the Council adopt a "legally enforceable" Delta Plan to further the achievement of the coequal goals, in order to address the crisis in the Delta. The State Administrative Procedures Act spells out the process through which the policies of the Delta Plan became enforceable state regulations.

Willetts Point, also known locally as the Iron Triangle, is an industrial neighborhood within Corona, in the New York City borough of Queens. Located east of Citi Field near the Flushing River, it is known for its automobile shops and junkyards, and had a population of 10 people in 2011. Proposals to redevelop Willetts Point started after World War II, but gained full traction in 2007.
